HEALTHCARE EXPERIENCE

15-HOUR WELCOME TO LONG-TERM CARE (LTC) FOR CTE STUDENTS

Students will experience:

- Professions working in long-term care including technical skill requirements, scope, and credentials for each professional role (administrative/business, nursing, therapy, social work, activities, dietary, housekeeping, maintenance)
- Teamwork/collaboration
- Building meaningful relationships
- Therapeutic activities
- Resident-centered care

Overview of Policies & Procedures:

- HIPPA/Confidentiality
- Abuse Recognizing and Reporting
- Infection Prevention
- Emergency Preparedness/Safety

JAWS is an El Paso County and ARPA-funded grant that is working towards understanding and implementing change in the long-term care workforce within El Paso County.
